

HOW TO FILL OUT A PARLAY CARD

Playing is easy—follow these simple steps:

1. \$2 minimum wager (\$5 for \$100K Card)
2. Minimum of 3 games in action (3 separate distinct outcomes)
3. Locate the numbers next to your selected teams
4. Choose your wagering information by filling in the circles on the stub at the bottom of each card (**DO NOT ERASE**):

- **Selections**—numbers associated with each of your selected teams (you may also ask the retailer for a quick pick)

Selections

- **Number of Teams**—choose the number of teams that you are wagering on

Number of Teams

- **Amount Bet**—choose the amount that you want to wager

Amount Bet

5. Remove the perforated stub at the bottom of each of your cards for the retailer

*For odds—see the back of each parlay card.
Please note: “For” includes the amount wagered.
“To” does not include the amount wagered.
For example: 20 for 1 is 19 to 1; a \$25 wager is: \$25x19=\$475*
